

Free Yourself to Write Workshop

*10-Tools to Transform
Your Writing*

Free Yourself to Write is taught by Jan Fishler, M.A.

Jan Fishler is the author of *Searching for Jane Finding Myself (An Adoption Memoir)*. For 25 years, Jan was a corporate scriptwriter, video producer, trainer, and freelance writer. For many years, Jan has been using the powerful techniques she'll be teaching and knows first-hand how well they work.

- Would you like to explore tools to make writing easier and faster?
- Are you experiencing writer's block, or do you need to jumpstart a writing project?
- Do you want to make the writing process more fun and enjoyable?
- Have judgment and criticism kept you from writing?

In this 1-day workshop you will learn:

- How to identify obstacles that prevent you from writing or from being as prolific as you could be.
- Powerful visualizations designed to eliminate judgment and enhance your ability to tap into the subconscious.
- Tools to get out of the logical left brain and move to the holistic right where ideas and intuitions dwell—perfect for writing creatively and effortlessly.

Just Write It!
